We are excited to announce that SAECO is once again partnering with Sharing Down Syndrome Arizona for a golf tournament to benefit Sharing Down Syndrome.

The Mission of Sharing Down Syndrome Arizona is to educate and empower, but especially give hope to individuals who have Down syndrome, and their families who love them, so these children may grow up to become independent self-advocates. Please come help us celebrate World Down Syndrome Day.

For more information about Sharing Down Syndrome please visit our website at www.sharingds.org
